

Christmas will soon be upon us! I'm still wondering what happened to October let alone November. At this wonderful but hectic time of year be mindful of the true "Spirit of Christmas" and take time to enjoy the beautiful lights, decorations and the **gift of giving**.

In this newsletter you'll find gift ideas, a new class schedule and special Holiday hours. The "What's New" section is a little small to make room for information on the Inventory Sale, Super-Bowl Party, Market Party and Camp 2009.

So, take a break from your busy schedule and grab a few minutes for yourself. Find that comfy chair, shut out your demanding hectic world, and read about this wonderful satisfying addiction we all love.

Have a Blessed and Merry Christmas!

Debbie, Joyce, Pat, Linda, Karla, Sherre & Carol.

HOLIDAY HOURS

We will close Wed. Dec. 24th at noon and remain closed Dec. 25th & 26th. We will reopen Sat., Dec. 27th. We will close at noon on Wed., Dec. 31st and reopen Friday, Jan. 2nd, 2009. HAPPY NEW YEAR!

WHAT'S NEW!

Imaginating: Two wonderful Christmas designs join a new verse series. This simple but elegant series combines a variety of borders, verse and motifs creating very unique designs. Peace, Hope & Love uses that style finding a bluebird perched on a holly and evergreen bough. The verse talks about the spirit, gladness and warmth of Christmas bringing you *Peace, Hope & Love*. Chart \$6.25

The verse "May Peace be your gift at Christmas and your Blessing all year through" is enhanced by the white dove resting in the berry filled holly branch. The brown backstitch borders emphasize the greens and reds used in Gift of Christmas. Chart \$6.25

Other designs in this series include Whisper of God, Breathtaker, Full of Blessing & Strengthen Me. \$6.25 each

Little House Needleworks:

Growing up on a farm holds special memories for me. One of the many chores included feeding and making sure the chickens were shut up tight in the chicken house at night. Chickens roaming the farm yard makes a perfect

setting for a nice design called Hen Party. What fond memories! Chart \$6.25

Berry filled bows of evergreens surround three gingerbread boys creating a delightful Gingerbread Trio. Each gingerbread boy has its own unique trimming and hold a garland

connecting them. The words *Ginger, Cinnamon & Nutmeg* below each boy just makes you think Christmas! Sherre Winkle is stitching this design and it's just adorable. Chart \$8.25

The chart Something Old, Something New! contains ten designs, eight of which have been previously released as complimentary designs. The two new designs are *Giving* and *Six Stars Gameboard*. The cutest little bunny is toting a large gift box as snowflakes fill the air in *Giving*. *Six Stars Gameboard* joins three other game board charts including *Winter, Hometown & Garden*. A great buy at \$8.25

Lizzie*Kate: The November release of Gifts/Wonder and Carols/Peace Double Flips complete the *Christmas Spirit with Charm* series. Stitch all 12 together or separately for very quick easy gifts! \$8.25 each

There is simply nothing that warms the heart like a smile. The snippet Wear A Smile states the philosophy of **Lizzie*Kate**. The cheerful colors of Lucky, Bluebonnet & Bluecoat Red are perfect for the saying "Wear a Smile...one size fits all". Tucked into a *Stitch-a-gift* pillow and you'll wear a smile yourself! Chart \$4.25 Button \$1.70 Pillow \$24.00

The Double Flips will continue with a Halloween-themed **Boo** series beginning in early January! Each leaflet will contain 2 designs and two sets of buttons. A photo of the completed series stitched together will be on the back of each chart. Some people are just overflowing with talent and Linda Ebricht of **Lizzie*Kate** is one of those people. She is truly blessed and you couldn't find a nicer person. It was so much fun to see her excitement throughout the development and stitching of this series. She's truly outdone herself with this series. 12 Halloween words are combined with cute little motifs. Can you guess all 12? Call if you'd like to be on the automatic call list for this series. \$8.25 each

Shepherd's Bush: The words *Peace on Earth, Noel, Joy & Hark* scattered amongst Quaker motifs create the Glad Tidings sampler. Their unique little angel with sterling silver horn charm serenades the sheep in the field and a vining berry filled border encompass the whole design. Kit includes luscious overdyed linen, silk threads, charms and needle. \$40.25 Continue spreading *glad tidings* with the Glad Tidings Fob. Complete kit \$14.25

Sue Hillis: I've been collecting Santas of all shapes and sizes over the last 30 years. I will have to say that I don't remember ever seeing a *pirate* Santa let alone a peg legged Santa like in the Yo Ho Ho Ho design. The 4"X6" design features Santa's peg leg as a candy cane stick and his hook hand is the curved neck of the candy cane. Santa's eye patch and pirates hat completes this pirate Santa. Chart/charm - \$6.25

Zweigart: Have a sports fanatic in the family? Games People Play is the book for you. This book features eight 7"X7" designs shown stitched on a 14ct. *Novara* afghan or individually as pillows. Sport designs include cards, pool, gambling, golf, chess, bowling, darts and horseshoes. Book \$11.25
